

10 good reasons to consider a Flexcare® Health and Dental plan

1. **An offer will always be made regardless of your state of health** – either a substandard or an alternate guaranteed issue plan offer if you do not qualify for standard coverage.
2. **Immediate approval and processing** – for plans not requiring medical underwriting.
3. **No medical questionnaire required for many Flexcare plans** – Flexcare has the most Guaranteed Issue plans to choose from.
4. **No waiting period for benefits** – Once approved, you are covered for all benefits as of the effective date of the policy.
5. **Reimbursement for all eligible* drugs** – even if not on the provincial formulary.
6. **Unlimited 100% coverage for all eligible* prescription drugs** – provided under a Flexcare Catastrophic coverage plan when annual claims exceed \$4,500 per anniversary year.
7. **Travel Benefit of up to \$5 million** – included with all Flexcare plans.
8. **Best Doctors® Solutions Services included with all Flexcare plans** – provides insight and information about a diagnosis, the latest advances and where to turn for state-of-the-art care when faced with a serious medical problem.
9. **Dental specific plans available** – for clients primarily interested in dental coverage.
10. **Coverage for birth control and fertility drugs*** – with a Flexcare's ComboPlus™ Enhanced plan.
